NURSE PRACTITIONER

Saskatoon Community Clinic requires a permanent full-time primary care nurse practitioner to provide comprehensive primary health care within the NP scope of practice. The PCNP diagnoses and manages common health problems and diseases both independently and in collaboration with the client and other health care professionals. The PCNP works as part of an interdisciplinary team with a strong emphasis on health promotion and disease prevention. Candidates must have a certificate in advanced clinical nursing or equivalent educational preparations and be eligible for Saskatchewan Nurse Practitioner licensure, as well as experience in a primary care environment preferred.

We are committed to employment equity and welcome applications from all qualified candidates. People of aboriginal ancestry, people with disabilities and visible minorities are invited to identify themselves when they apply.

A Criminal Record Check will be required prior to being offered a position with the Saskatoon Community Clinic. SCC thanks all applicants, but only those chosen for interviews will be contacted.

Please apply to: Director of Nursing
 Saskatoon Community Clinic
 455 2nd Avenue North
 Saskatoon SK S7K 2C2
