

The **Saskatoon Community Clinic** is recruiting **family physicians**. We have a variety of positions for family physicians including locum/permanent, general/obstetrical, part-time/full-time, Downtown/Westside/Delisle locations. We continuously accept applications from interested physicians. We are currently actively hiring for a locum position (up to 7 months).

The Saskatoon Community Clinic is an innovative consumer sponsored primary health care centre. Our multi-disciplinary team setting enables practitioners the time, support, and access to services they need to provide quality family and patient centred care.

On site disciplines include counselors, diagnostic services including lab and X-Ray, nurses, nurse practitioners, nutritionist, occupational therapist, physiotherapists, and pharmacists. We place a strong emphasis on health promotion, disease prevention, support for persons with special needs, and quality improvement. The clinic is supportive of physicians with an interest in teaching. We use Med-Access electronic medical records. Our salaried remuneration is competitive with fee-for-service earnings. Excellent work hours, benefits, vacation and study leave provisions are offered.

Applicants must be able to obtain a license to practice in Saskatchewan and obtain family medicine privileges in the Saskatoon Health Region. Preference will be given to applicants with certification in family medicine. We are committed to employment equity and welcome applications from all qualified candidates. People of aboriginal ancestry, people with disabilities and visible minorities are invited to identify themselves as members of these designated groups.

Applicants are encouraged to indicate the type of position they would prefer (locum vs permanent, general vs obstetrical, and Downtown, Westside, or Delisle location). For additional information, or to apply with submission of CV, please contact:
