SALARY: Per CUPE #974 Collective Agreement

DUTIES: To provide clinical office assistant/receptionist duties as required to physicians and other health care workers.

QUALIFICATIONS:

- Grade 12 with 2 – 3 years' experience in a clinical office assistant setting sufficient to demonstrate the necessary skills, and a Medical Office Assistant course diploma.
- Responsible and reliable.
- Excellent telephone skills.
- Excellent organizational skills.
- Courteous and pleasant.
- Ability to communicate effectively and co-operatively, both in writing and verbally, with physicians, other health care workers, patients and with outside agencies.
- Ability to work in a high volume multi-tasking environment.
- Ability to work alone and with minimal supervision.
- Ability to maintain confidentiality.
- Ability to recognize potentially dangerous situations.
- Basic computer skills.
- General knowledge of and compatibility with the philosophy of CHSA.
- Must be bondable.
- Demonstrates strong interpersonal and collaborative communication skills and attitude.
