1

Create a Saskatchewan.ca Account

eHealth Saskatchewan has partnered with the Government of Saskatchewan to provide citizens with a single username and password to access government services, including MySaskHealthRecord. In order to register for MySaskHealthRecord, you must create a Saskatchewan.ca account.

To create your Saskatchewan.ca account, please click on "Create Account" below.

IMPORTANT! Once you have activated your Saskatchewan.ca account, or if you already have an account, please return to eHealthSask.ca and continue with your MySaskHealthRecord registration at Step #2 below.

Validate Your Identity

In order to register for MySaskHealthRecord, you will need to validate your name, date of birth, Saskatchewan residency and Health Services Number (HSN) using your SGI driver's licence or SGI photo ID card as well as your Saskatchewan health card.

PLEASE NOTE: The address you enter during this step is the same address that your PIN will be mailed to. So, if you have moved recently and not updated your address with eHealth Saskatchewan (and therefore your health card profile), you need to do so before completing this step. To update your address with eHealth, please call 1-800-667-7551.

To start your identity validation process, please click on "Validate Identity" below.

IMPORTANT: Please be aware that due to the COVID-19 outbreak, MySaskHealthRecord is temporarily providing users with the ability to phone and request their PINs to complete their MySaskHealthRecord registration. Mail out PINs will be suspended at this time, as the ability for users to phone in for their PINs supports quicker access to personal health information in MySaskHealthRecord during this critical time. To phone for your PIN, call 1-844-767-8259 and select 5.
